Education

2015-2020   Bachelor's Degree in Computer Science, University of Granada
Focusing in Web Development and Systems Administration

2015-2020   Bachelor's Degree in Mathematics, University of Granada

Projects and Other Activities

2018-2019   Press Officer at the Students' Union of the University of Granada (DGE)
Responsible for designing and setting up communication campaigns reaching all 47 000 students. Also in charge of social networks and relations with local media.

Contributor to apuntesDGIIM
A student project which aims to create free and open source textbooks for Computer Science and Mathematics subjects.
In addition to contributing to the writing of the text itself, I created the templates used, as well as the project website, and set up automatic building and deployment.

Web Development Projects
Designed and developed: cielos.es, herminialuque.com and my personal website.
